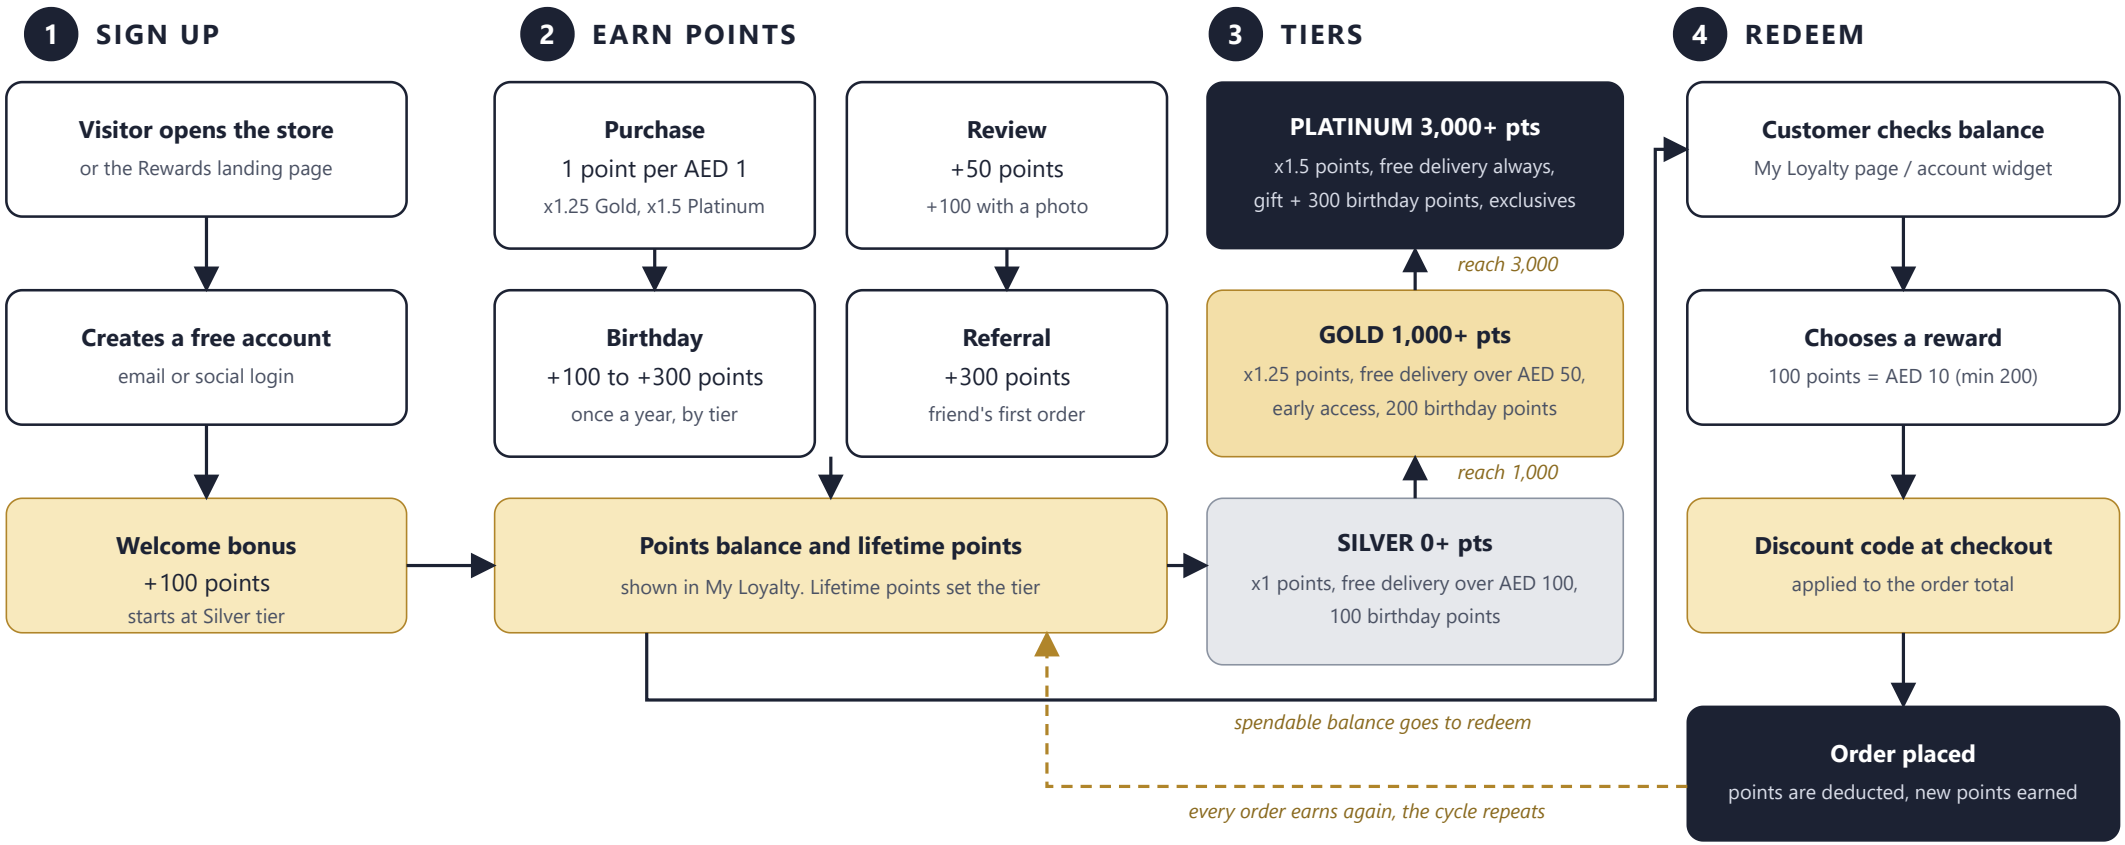
AFNAN REWARDS - CUSTOMER JOURNEY

Loyalty programme flow: sign up, earn points, move between tiers, redeem at checkout



BUILT IN THE THEME (storefront)

- Loyalty landing page: how it works in 3 steps, tier table, ways to earn, sign-up
- My Loyalty page: points balance, tier and progress bar to the next tier
- Tier thresholds and copy as theme settings and translations (English / Arabic)
- Presentation only: the theme never decides who earns or spends points

HANDLED BY THE LOYALTY APP

- Points ledger: earn, spend, expire. One source of truth, with an audit trail
- Earn rules: purchase, review, birthday, referral, and fraud checks
- Tier logic and automatic tier changes, plus emails and reminders
- Redemption: creates the discount code applied at checkout
